Gentlemen:

Please be advised that we have completed the subject named well as a gas-gas dual completion. Well was completed November 23, 1957.

Attached herewith and in connection with such dual completion, please find schematic diagram showing how the well was equipped and how such well was completed.

Northwest Production Company is offset operator to the east of this well, and has been notified accordingly of such completion effective this date.

Please accept this as our application for administrative approval.

Yours very truly,
