Gentlemen:

We are in receipt of a Notice of Intention to Drill a well to the Pictured Cliffs Sand in Sec. 16, T. 26 N., R. 6 W., 990' from the north line and 1800' from the east line. This Notice of Intention to Drill is made on the Federal Form, and I believe that Section 16, T. 26 N., R. 6 W. is State land, and if so, your Notice of Intention to Drill should be made out on the State form and approved by an agent of the Oil Conservation Commission before you start drilling operations.

Very truly yours,

Al Greer
