Mr. Al Greer  
Oil Conservation Commission  
Aztec, New Mexico

Dear Mr. Greer:

Enclosed please find three copies of Form C-101, Notice of Intention to Drill, on our State 5-235, in the NE/4 of Section 16, Township 26 North, Range 6 West, in Rio Arriba County, New Mexico.

As I mentioned on the phone this morning this is the notice which was first submitted to you on the USGS form and which you returned for re-submittal on Form C-101. It is my understanding that the plat was retained by your office pending their receiving the proper form. If you find that you do not have a copy of this plat I will send you one---it seems we have only one copy left in this office.

I have talked with our Chicago office and they will get on the changing of the bond name. Many thanks for calling this to my attention.

Very truly yours,
