Attn: Mr. Frank Gray

Dear Sir:

Reference is made to our letter of July 24, 1964 cancelling Form C-110 for the Dakota side of your D-248 well which is located in the NE $\frac{1}{4}$ Section 13-26N-6W.

This form was cancelled for the reason that we were unaware that a dual completion order had been entered approving the dual completion of this well. However we have since discovered that we were in error and that Order R-1191-C approving this dual completion was signed on February 5, 1964. I hope that our error has not caused you any undue inconvenience.

Yours very truly
