

September 17, 1958

Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Attention: Mr. A. L. Porter

Gentlemen:

By letter dated September 13, 1958, request was made to Mr. Emory Arnold of the Antec Office of the New Mexico Oil Conservation Commission for tentative approval to complete Northwest Production Corporation's Well W 1-7 in the Pictured Cliffs, Menoverde and Dakota formations. Copy of this request is attached for your ready reference.

It is respectfully requested that this matter be brought before the New Mexico Oil Conservation Commission at the regular monthly hearing to be held October 17, 1958.

Very truly yours,

NORTHWEST PRODUCTION CORPORATION

Oil Conservation Commission
P. O. Box 271
Austin, Texas

Attention: Mr. A. M. Porter

Gentlemen:

By letter dated September 13, 1938, request was made to Mr. Emory Arnold of the Austin Office of the New Mexico Oil Conservation Commission for tentative approval to complete Northwest Production Corporation's Well No. 1 in the Pinedale Oilfield, Garfield and Jackson Counties. Copy of this request is attached for your ready reference.

It is respectfully requested that this matter be brought before the New Mexico Oil Conservation Commission at the regular monthly meeting to be held October 17, 1938.

Very truly yours,

NORTHWEST PRODUCTION CORPORATION

Witness my hand and
the seal of said corporation
this 15th day of September, 1938.

W. E. Johnson, Manager
Production Operations
