Re: Jicarilla "H" #1
Sec. 11-26N-3W

Att: Mr. C.A. Miller
Assistant District Production Superintendent

Dear Sir:

We are by this letter tentatively approving dual completion on the above well in the Mesaverde and Pictured Cliffs zones, as set out in your application of August 26, 1956.

Upon final completion of the well you should make application for Administrative Approval to Mr. A. L. Porter, Secretary and Director of the Commission, Box 871, Santa Fe, N.M. This application should include a schematic diagram showing how the well is equipped and should indicate that offset operators have been notified of your application.

Yours very truly

Emery C. Arnold
Supervisor, District #3

ECA:ks

cc: Mr. A. L. Porter
OCC, Santa Fe, N.M.

Re: Jicarilla "H" #1
Section 11, T26N, R2E
Undesignated pictured well in the local
Rio Arriba County, New Mexico

Dear Sir:

I propose to drill the subject well with a projected
depth of 5000'. It is further proposed to drill another
side well in the Pictured Cliffs and Lea beds area.

I further propose to set 10 3/4" casing on a well, 7 1/2" ID
and run a 4" casing at approximately 4000', and set a 5 1/2" liner
on 1000'. I will perforate in the Pictured Cliffs formation
in the Lea beds area and attempt a final completion. This
well is to be run.

The subject well is located 1450' NE and 400' ENE in the
NE 1/4 of Section 11.

Yours very truly,

E. L. Miller

E. L. Miller
Assistant District Superintendent
of Production
