NOV 5 1963

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

This form is to correct pool designation. All prior forms have been submitted showing this well to be in the Tapacito Pictured Cliffs Pool when it is actually in the South Blanco Pictured Cliffs Pool.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
