Dear Bill:

We find that you have never submitted a Form C-105, Well Record form, on your Fred Davis #114 well in the SW $\frac{1}{4}$ Section 1-26N-2W.

In November, 1956 you submitted a Form C-103 indicating that the well had been plugged and abandoned. I did not approve the Form C-103 on plugging on this well pending receipt of a Well Record form. If you will submit the well record form in quintuplicate covering this well we can approve your plugging and abandonment notice. This will undoubtedly save you trouble with the bonding company later. Will you please submit the above form at once.

Yours very truly

Emery C. Arnold
