Albuquerque, New Mexico
Att: Mr. Phillips

Dear Mr. Phillips:

Your well, Johnston Shear 26-3 #1-3, located NE 3-26-3, is tied-in and has been ready for production as of December 22, 1958.

Due to necessary forms not being filed with the New Mexico Oil Conservation Commission in Aztec, we do not have the authority to produce this well.

Please advise.

Yours very truly,
