Dear Mr. Millert

We are returning two copies of Federal Well Record Form 9-330 and four copies of Form C-104, Request for Allowable, which you have submitted on your #1 USL Alto well in the NM Section 5-26N-1E, Ric Arriba County. We will not be able to approve an allowable for this well until you have filed Federal Form 9-331-a, Miscellaneous Notices, with the U.S.G.S. office in Farmington indicating that you have commented both surface and production casing in the above well and have conducted casing tests as prescribed by New Mexico Oil Commission rules and regulations.

We are enclosing a book of the Rules and Regulations and refer you to Rule 107 found on Page 14. The elment should be circulated on your surface casing.

Upon compliance with the Commission easing regulations, please re-submit Pederal Well Record form and also re-submit Form C-104 showing the proper easing information.

If we can be of any assistance in this matter, please contact us.
