State of New Mexico Oil Conservation Commission
1000 Rio Brazos Road
Aztec, New Mexico

Attention: Mr. Emory C. Arnold, Supervisor District No. 3

Dear Mr. Arnold:

Under cover of letter dated February 16, 1960, Mr. R. B. Miller of our Bakersfield office forwarded to you form C-110 and C-104 in connection with our well located in Section 5, Township 26 North, Range 1 East, Rio Arriba County, New Mexico.

I assume that approved copies of Form C-104 and C-110 are forwarded to the necessary parties as a matter of course. We did want to be certain, however, that El Paso Natural Gas Products Company, the United States Geological Survey, and Trans Western Tankers, Inc. be provided with any necessary copies as approved by the Conservation Commission.

As you probably suspect, we are having some problems in connection with coordinating our efforts to sell this oil, and we hope that you will bear with us until we get these matters straightened out.

Thank you very kindly for your cooperation.

Very truly yours,

INTEX OIL COMPANY
