Dear Sir:

We have received copies of Federal Notice of Intention to Drill along with Oil Conservation Commission form C-102, Well Location and Dedication Plat, for your Jicarilla #2 well, located in the southwest quarter of Section 30, Township 26 North, Range 4 West.

The General Land Office Plat which we have for this township indicates that the south half of Section 30 which you have dedicated has two long lots on the west side of the section containing 40.83 acres for lot 3 and 40.67 acres for lot 4. This changes the total acreage in the south half of Section 30 to 321.50 acres. Accordingly we are correcting your plat to show this and request that you also correct your copy.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
