Dear Sir:

We have received two copies of Federal Form Notice of Intent to Drill along with Commission Form C-102, well location and acreage dedication plat for your number 3 Jicarilla well located in Unit D-Section 31-Township 26N-Range 4W. You have indicated the acreage in the north half as 320 acres.

Our general Land Office survey for this township which is dated November 4, 1882 indicates there are 321.60 acres in the north half of Section 31.

We are therefore changing your plat to reflect this correction. Will you please correct your records accordingly?

Sincerely,

Emery C. Arnold
Emery C. Arnold
Supervisor Dist.#3
