Re-acreage dedication correction
Jicarilla #4 well

Dear Sir:

We have copies of Federal Notice of Intention to drill with Commission form C-102, location and acreage dedication plats attached for your Jicarilla #4 well, located in the SW Section 31, Township 26N, Range 4W.

You have indicated that you are dedicating the south half of Section 31 to this well and show the acreage as 320 acres. The General Land Office survey plat dated November 4, 1882, which we have, indicates that the total acreage in the S/2 Section 31 is 322.80 acres. We are therefore correcting your plat to show this acreage and are sending the U.S.G.S. a copy of this letter so that they may correct their copy.

If you do not agree with the correction please let us know. Thank you.

Yours very truly,

Emery C. Arnold
Supervisor Dist #3
