Durango, Colorado 81301

Gentlemen:

Following is our 12 point development plan for surface use on our well No. 55, located in NW 1/4 of Section 3 26N 6W.

- (1) Existing road, State road 403 will be used.
- (2) New road to reach location, noted on topo map will follow Southern Union pipeline right o way.
- (3) (4) See Topo Map.
- (5) (8) (9) No tanks, airstrip or camp.
- (6) Water will be hauled from Caulkins water hole in section 3 26N 6W.
- (7) All cuttings, trash garbage and etc will be confined to reserve pit.
- (10) Layout plat for location and pit attached.
- (11) Reserve pit will be leveled and cleaned up, then complete area reseeded.
- (12) Location will be on edge of 15" cliff with reserve pit below. Proposed location covered with cedar and pinon pine trees.

Yours very truly,

*Charles E. Viques*  
Caulkins Oil Company
