Durango, Colorado 81301

Gentlemen:

Following is our 12 point plan for surface use on our well No. 216 located in section 12 26N 6W. (NE 1/4)

- (1) Existing road used to service wells in section 13 26N 6W and points East will be used.
- (2) New road along crest of hill to new location will be built. Approx. 1/2 mile new road will be needed.
- (3) (4) See Topo map.
- (5) (8) (9) No tanks, airstrip or camp.
- (6) Water will be hauled from Caulkins water hole in Section 3 26N 6W.
- (7) All cuttings, trash, garbage and etc. will be confined to reserve pit.
- (10) Layout plat for location and pit attached.
- (11) Reserve pit will be leveled and cleaned up then complete area reseeded.
- (12) Location to be built on bench above Albert Canyon. Approx. 4' cut will be required. Land now has Native gama and sage brush cover.

Yours very truly,

Charles E. Cagney
Caulkins Oil Company
