Dear Mr. Kendrick:

In regard to our request for an extension of the referenced Permit, we would like you to know that the Communitization Agreement has been in the hands of Mobil for several months. We were advised by their Roswell office yesterday that the agreement is being processed for execution. We, of course, will submit a revised C-102 when this has finally been accomplished, and in the meantime, would appreciate your patience in granting us another extension.

Thank you.

Yours very truly,
