Dear Mr. Campbell:

The location for the subject well is not in compliance with Order R-1670, the Blanco-Mesaverde Pool Rules, which requires the first well to be located in the northeast or southwest quarter of the section. An exception to this requirement may be obtained after hearing before the Commission or one of its examiners.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick  
Supervisor, District #3
