Consolidated Oil & Gas, Inc.
P. O. Box 2038
Farmington, New Mexico 87401

Gentlemen:

Supron Energy Corporation proposes to dually complete their Jicarilla "H" No. 9 well in the Dakota formation and in either the Pictured Cliff or Mesa Verde formations, which ever sand is found to exist during logging. This well is located 825 feet from the North line and 825 feet from the East line of Section 17, Township 26 North, Range 4 West, N.M.P.M., Rio Arriba County, New Mexico.

Our records indicate that you are the owner and operator of acreage which adjoins this drilling block. If you have no objections to this proposed dual completion, we would appreciate your signing the attached two (2) copies of this letter and returning same to this office.

Your prompt consideration of this proposal will be greatly appreciated.

Yours very truly,

SUPRON ENERGY CORPORATION
