Mr. Joe Ramey

Post Office Box 2088

Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Basin Dakota pool.

It is intended to locate the El Paso Natural Gas Company's Klein #28 at 2170' from the South line and 1840' from the West line of Section 33, T-26-N, R-6-W, Rio Arriba County, New Mexico.

Extremely rough terrain with cliffs and ledges, an existing pipeline, and the location of an Indian ruin in the southwest corner of this section make the building of an orthodox gas well location impossible.

All operators of proration units offsetting the proposed unorthodox location have been notified of this application by certified mail.

Plats showing the proposed well location and the terrain of Section 33, along with an ownership plat, are attached.

Sincerely,

A handwritten signature in cursive script that reads "L. A. Aimes".
