*Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.

NOTES: If the proposed multiple completion will result in an unorthodox well location and/or a non-standard perforation unit in one or more of the pools, the applicant must submit a separate application with this application.
