(NOTE: Report results of multiple completion or zone change on Form 9-330.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

On the Production Casing Report, dated 12/29/81, the T.D. date was incorrectly reported as 12/22/81. The correct T.D. date should have been 12/20/81. Please change the Well Completion Report to reflect this date and also change Item #13 on Completion Report to read New Mexico, rather than Colorado
