completion on
and Log form.
Estimated date of
all markers a

Last month, worked over; cleaning out drilling mud & cuttings; could not swab fluid level down; before it could be completed, lost 1,100 foot. string of pipe in hole; recovered all but 300ft of corkscrewed pipe. Plan to use fishing tool to recover remaining pipe & clean hole to an approximate depth of 2,100 ft. If not possible to fish out, propose to plug well.

18. I hereby certify that the foregoing is true and correct
