Re: Gran-Federal #1R I-21-26N-1E

Dear Mr. Hand:

We are returning the C-104 for the referenced well unapproved for the following reasons:

1. We have not yet received a C-102 showing the amended locations.
2. We have not received a notarized deviation tabulation.
3. The proration unit has not been approved.

The test allowable assigned to this well has expired and no future allowable will be assigned until these matters are cleared up.

Sincerely,

A handwritten signature in dark ink, appearing to read "Frank T. Chavez".
