13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work well is directionally drilled give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Apache Corporation received a verbal approval to temporarily suspend the P&A operations on this well pending Apache's evaluation of returning the well to Gallup production or a recompletion to the Mesa Verde zone. (Per Brian Davis 11-27-01). The work on the well will be completed in the next few months. If the work is not successful, the P&A operation will resume.

Attached is the operations that were done on 11-26 and 11-27-01.

Apache Corporation will notify the BLM on the outcome of the evaluation and/or work that is completed on the well or prior to the commencement of P&A operations.

14. I certify that the foregoing is true and correct.
