Location for Columbus Energy Corporation  
JICARILLA 6, Basin Dakota/Wildhorse Gallup Dual  
450' FNL & 440' FEL  
Sec 27, T26N, R3W, Rio Arriba Co., New Mexico

Dear Mr. Stamets,

We hereby request approval of the unorthodox location for the  
subject well. Copies of a location plat, topographic map, and  
a map showing offset operators are attached for your reference.

The above site was moved from an orthodox location of 1050' FNL  
& 825' FEL, Sec 27, T26N, R3W to its present location due to  
several archaeological finds in the area of the orthodox location.

Yours very truly,

COLUMBUS ENERGY CORPORATION
