Dear Mr. LeMay:

Union Texas Petroleum requests administrative approval of an unorthodox location for a Blanco Mesaverde-West Lindrith Gallup-Dakota commingled completion. The basis for our request is for topographic reasons.

The following offset operators have been notified of our intentions: Amoco Production Company; Conoco, Inc.; Northwest Production Company; Jerome P. McHugh; and Meridian Oil. A copy of each letter is attached for your review.

If I may be of any further assistance, please advise.

Very truly yours,
