FARMINGTON RESOURCE AREA

Effective 1

All distances must be from the outer boundaries of the Station.

1. Outline the acreage dedicated to the subject well by colored pencil or hachure marks on the plat below. SW/4 160.0
2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to well interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.

I hereby certify that the information
contained herein is true and complete to
the best of my knowledge and belief.
