Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Amoco Production Company requests permission to meter gas and oil off the subject lease. We will lay 4" 3-phase flowline to gas sales point and oil trucking point in SW/4 of Sec. 10, as shown on the attached survey, in order to insure access to sales trucks in winter months. All production for the well will be separately measured and sold.
