		___ Casing Repair	___ Water Shut-off
		___ Altering Casing	___ Conversion to Injection
		___ Other -	___ Dispose Water

**12. Describe Proposed or Completed Operations**

Additional information requested on previous sundry notice - top of cement for intermediate casing:

As reported on previous sundry notice dated 11/22/96, surface casing collapsed and parted near surface. The repair of this separation involved the cementing together of the surface casing and intermediate casing (reported on same sundry). Therefore the top of cement for the intermediate casing is at the surface.
