District No. 3
New Mexico Oil Conservation Commission

Dear Mr. Arnold:

Re: Change of name to Largo No. 1 of
Canyon Largo Unit #62 well
Unit D - Section 9 - 25-North, 07-West
Rio Arriba County, New Mexico.

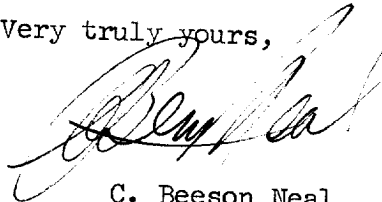

Ballard Pictured Cliffs field
Operator: La Plata Gathering System, Inc.

Herewith are six copies of Form C-104 - effecting
the above noted change in name.

El Paso Natural Gas Company and Mr. J. Glenn Turner
believe this change will reduce the confusion caused by the fact
that this well is neither committed to the Canyon Largo Unit nor
operated by the Canyon Largo Unit Operator.

If there is anything else you need, please advise.

Very truly yours,

C. Beeson Neal
Agent in Farmington for
La Plata Gathering System, Inc.
