## ELLIOTT-HALL

December 11, 1957

*ans 12-20*

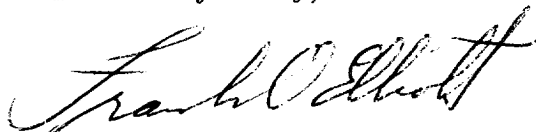

New Mexico Oil Conservation Commission  
Aztec, New Mexico

Gentlemen:

Enclosed is Form C-104 covering our recently completed Gallup well in Sec. 34, Twp. 25N., Rge. 10W.

I would like to know if the Forms C-104 should be filed on wells in this area which have been on production in order for them to be granted January allowables. Please advise in this regard.

Yours very truly,

Frank O. Elliott
