Attention: Mr. E. J. Coel

Administrative Order NSL-112

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Brookhaven Well No. 4-A to be located 1600 feet from the South line and 800 feet from the East line and in the NE/4 SE/4 of Section 29, Township 25 North, Range 10 West, Bisti-Lower Gallup Oil Pool, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the SE/4 of said section.

Inasmuch as there are no other effected offset operators, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 104 (f) of the Statewide Rules and Regulations as set forth in Rule 104 (f), you are hereby granted an exception to Rule 104 (c) for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director
