17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The subject well has been shut in since 1966. Recent casing inspection survey work shows that this well may have a casing leak @ 3095'. It is proposed to packer test this well's casing to verify its integrity, if necessary squeeze with a minimum of 100 sacks cement to 1000 psi and return the well to pump. This work is expected to commence on or about 6-27-77.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
