| | Alls or work |
| | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, semenall other important proposed work) |
| | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, smen all other important proposed work) |
| | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, sman all other important proposed work) |
| | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, smarr all other important proposed work) |
| | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, seman all other important proposed work) of \$0000 this life mache construction count. |
| | weizes, weights, and lengths of proposed casings; indicate mudding jobs, semenall other important proposed work) at 9000 4th 150 coals compared to semant. A 9000 4th 150 coals compared to semant. |
| | welzes, weights, and lengths of proposed casings; indicate mudding jobs, smerall other important proposed work) at 2006 4th 150 cache construction connect, at 2006 4th 150 cache construction connect, at 250 cache at 150 cache construction connect, at 250 cache at 150 cache cache cache cache at 250 cache at 150 cache cache cache at 250 cache cache cache cache cache at 250 cache cache cache cache cache cache at 250 cache cache cache cache cache cache at 250 cache |
| | weizes, weights, and lengths of proposed casings; indicate mudding jobs, somer all other important proposed work) at 2005 4th 150 maths construction contact, to 1505-10, 150 |
| Ate names of and expected depths to objective sands; show ing points, and said section 1/2" \$450 coasing (4.1/2" \$ | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, smen all other important proposed work) at 90000 14th 150 coats construction constitution of 150000 15000 |
| te names of and expected depths to objective sands; show ing points, and of the points, and of the points of the p | walzes, weights, and lengths of proposed casings; indicate mudding jobs, somer all other important proposed work) at 1900 with 190 seems construction contains, and 1900 with 190 seems construction contains, and 1900 with 1900 |
| te names of and expected depths to objective sands; show ing points, and of the points, and the points of the poin | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, somer all other important proposed work) at 90000 with 190 masks construction constitution of 100000 miles and 1000000 miles and 1000000 miles and 1000000 miles and 1000000 miles and 1000000000000000000000000000000000000 |
| ate names of and expected depths to objective sands; show ing points, and said points, and said possible from 1/8" helico/s of posted 200 gal, and aski said | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, smen all other important proposed work) at 90000 14th 150 coats construction constitution of 150000 15000 |
| ate names of and expected depths to objective sands; show ing points, and office the points of the p | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, smen all other important proposed work) at 90000 14th 150 coats construction constitution of 150000 15000 |
| ate names of and expected depths to objective sands; show ing points, and office the points of the p | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, smen all other important proposed work) at 90000 14th 150 coats construction constitution of 150000 15000 |
| the names of and expected depths to objective sands; show ing points, and off processed four 1/2" holden/2" holden/2 | w sizes, weights, and lengths of proposed casings; indicate mudding jobs, smen all other important proposed work) at 90000 14th 150 coats construction constitution of 150000 15000 |
| the names of and expected depths to objective sands; show ing points, and the second s | weights, and lengths of proposed casings; indicate mudding jobs, somer all other important proposed work) at 9000/ 14th 150 mashs construction consult, to \$5500, \$500-13, \$504-51, \$500-72, \$554-64, to \$650-72, \$650- |
| Ate names of and expected depths to objective sands; show ing points, and sign of the sands of t | weights, and lengths of proposed casings; indicate mudding jobs, somer all other important proposed work) at 9000/ 14th 150 mashs construction consult, to \$5500, \$500-13, \$504-51, \$500-72, \$554-64, to \$650-72, \$650- |
| T understand that this plan of work must receive approximate that the plan of work must receive approximate that the plan of work must receive approximate that this plan of work must receive approximate that this plan of work must receive approximate that the plan of work must receive approximate that this plan of work must receive approximate that the plan of work must receive approximate the plan of work must receiv | weights, and lengths of proposed casings; indicate mudding jobs, former all other important proposed work) on 90000 with 150 mashs construction count, to 150000, 1500000, 15000000, 150000000, 1500000000, 150000000000 |
| Tunderstand that this plan of work must receive approximate that the plan of work must receive approximate the plan of work must receive approximat | weights, and lengths of proposed casings; indicate mudding jobs, former all other important proposed work) at \$2000 with 150 mashs construction consult, by \$2500, \$200-13, \$200-51, \$200-52, \$750-52, at \$250-52, \$200-52, \$200-52, \$200-52, and tubing at top of pasts, (4575'), (3-1/4 hay, toot) 145 3/3 green rate, 145 3/3 green rate, 245 3/3 |
| Tunderstand that this plan of work must receive approximately and support that the plan of work must receive approximately and support that the plan of work must receive approximately and support that the plan of work must receive approximately approxima | weights, and lengths of proposed casings; indicate mudding jobs, former all other important proposed work) at 90000 this 150 months conservations consent, at 90000 this 150 months conservations consent, at 15000 this section of posts, (1505), (3-1/4 hr, toot) 145 8/3 grees rate, 145 N 3 gas success the Gological Survey before operations may be commenced. |
| Tunderstand that this plan of work must receive approximately and approximately and approximately ap | weights, and lengths of proposed casings; indicate mudding jobs, former all other important proposed work) at 9000 440 150 seeds construction const |
| tate names of and expected depths to objective sands; show ing points, and ing points are larger to the point of the points and ing points are larger to the points ar | weights, and lengths of proposed casings; indicate mudding jobs, former all other important proposed work) at 90000 440 150 months construction consent. by 150 months of 150 months consent and 150 months of 150 |
