Dear Sir,

Giant Exploration & Production Company requests a 60 day extension for plugging operations from the date of this letter for the referenced well. Plugging operations were outlined in the original Sundry Notice dated June 19, 1990 and was approved by your office July 6, 1990. The planned plugging operations are currently waiting on contract rig availability based on bid package for the proposed work. It was Giant's intention to have completed this work by now, but several untimely delays by our contractor has postponed this work.

All notices as outlined in sundry will be carried out and a subsequent report of abandonment will be filed after the work has been completed.

If you have any questions regarding this matter, please do not hesitate to contact this office.

Very truly yours,

Mark A. Balderston
Operations Manager
