Attention Mr. Emery C. Arnold, Supervisor District No. 3

Gentlemen:

We refer to your letter of July 23, 1964, concerning our Carson Unit 11-13 well located in Section 13, T. 25 N., R. 12 W., in which the casing has apparently failed. We are reviewing currently the problem and a decision will be made shortly whether the casing can be repaired or whether the well will be abandoned; at that time we will notify you and file the necessary reports.

Very truly yours,
