Gentlemen:

We are returning herewith copy of the U.S.G.S. Well Log on your #14-10 Federal which has been forwarded to us for our records by the U.S.G.S. Office in Farmington.

In order to maintain complete records on all wells, we must have all completion information on each well. Accordingly, will you please include the Sand-oil fracturing details and the tubing information on this form and return it to us as soon as possible.

Yours very truly
