Gentlemen:

This is to acknowledge your form letter of February 24th regarding the production from our Central Dist Unit for the month of January, 1960.

The discrepancy you have noted on this form was caused by the gas production figure from the CHU #29 being erroneously reported as 416 MCF. This figure should be 416 MCF.

Would you please correct your reports to reflect this change.

Yours very truly

SUNRAY MID-CONTINENT OIL COMPANY
