Dear Mr. Payne:

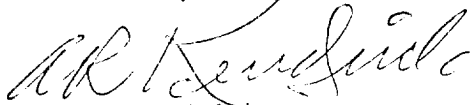

We have a recent Intention to Recomplete for the subject well as a Pictured Cliffs gas well.

Since this well has been completed as a producible well, form C-104 will be required to change the well name and number.

If the remedial action is successful, an acreage dedication plat, form C-102, shall be required showing an acreage dedication of a quarter section.

If there are questions please contact us.

Yours very truly,

A. R. Kendrick
Engineer, District #3
