Gentlemen:

We have received Federal Form 9-331, Sundry Notice of Intention to Repair the M. B. Rudman Federal #1, E-27-25N-9W. At this time the operator of record is the Independent Oil Company. It will be necessary for you to file our Form C-104 to change the designated operator and to designate an oil transporter. I have enclosed some blank forms for this purpose.

Yours very truly,

Mary P. Clark (Mrs.)
