Dear Mr. Townsend:

Exception to No-Flare
Helen Hasuse No. 1
Federal Lease No. NO-G-8501-1071
NW/NE Section 8, T25N, R8W
San Juan County, New Mexico

Amoco Production Company requests an exception to the No-Flare Rule for the subject well. At this time, we are negotiating a gas sales contract. Until such a contract is finalized, we would like to vent the gas and produce the oil. According to initial production tests, the well produces approximately 152 mcf/d and 40 barrels of oil for a gas-oil ratio of 3,800.

Thank you for your time and cooperation. If you have any questions concerning this matter, please contact Morris Bell of our office at 325-8841, ext. 244.

Sincerely,

R. J. Broussard
