Gentlemen:

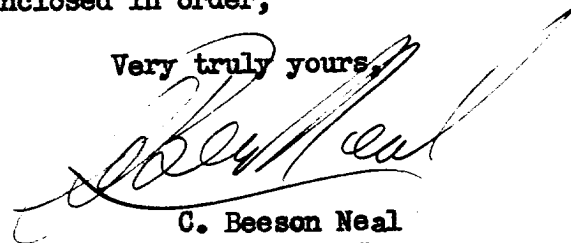

Re: Turner-Quantius-Federal No. 1-21.

Herewith in quadruplicate on Forms C-104 and C-110 and in triplicate on the Gas Well Plat Form are the usual forms required to be filed before a completed gas well is connected to the line.

This well having been drilled on a Federal Lease, the "Completion Report" has been filed with the United States Geological Survey in Farmington.

Trusting you will find the enclosed in order,

Very truly yours,

C. Beeson Neal
