Well No. 4 is located 222 ft. from N line and 100 ft. from E line of sec. 31

N.E. 1/4 Sec. 31 27N 4W S. M. P. M.
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)
Wilcox San Juan New Mexico
(Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is 5503 ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

It is intended to drill a well using rotary tools through the Mesaverde, drilling the Mesaverde with gas circulation and to shoot the entire pay section with 2 quarts of S.M.G. per foot. Total depth 5900'.

Casing Program:

9-5/8" at 172' with 125 sacks of regular cement circulated to surface
7" at 5110' with 500 sacks of regular cement.

The E₂ of section 31 is dedicated to this well.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Address BOX 997

FARMINGTON, N. M.

By S. Schuler

Title Petroleum Engineer.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It mentions the use of surveys, interviews, and focus groups to gather information from stakeholders. Additionally, it discusses the importance of using statistical software to analyze the data and identify trends and patterns.

3. The third part of the document describes the process of developing and implementing a strategic plan. It highlights the need for a clear vision and mission statement, as well as the importance of setting specific, measurable, achievable, relevant, and time-bound (SMART) goals.

4. The fourth part of the document discusses the importance of monitoring and evaluating the progress of the strategic plan. It mentions the use of key performance indicators (KPIs) to track progress and the need for regular communication and reporting to stakeholders.

5. The fifth part of the document discusses the importance of maintaining a strong relationship with stakeholders. It mentions the need for regular communication and engagement with stakeholders to ensure that their needs and expectations are met. Additionally, it discusses the importance of building trust and credibility with stakeholders through transparency and accountability.

6. The sixth part of the document discusses the importance of maintaining a strong financial position. It mentions the need for accurate financial records and the importance of budgeting and financial planning. Additionally, it discusses the importance of managing risks and ensuring that the organization has sufficient resources to meet its obligations.

7. The seventh part of the document discusses the importance of maintaining a strong legal and ethical position. It mentions the need for compliance with applicable laws and regulations, as well as the importance of maintaining high ethical standards in all activities.
