OTHER Extension of evaluation period

1. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) \*SEE RULE 1103.

It is requested a six-month extension of the temporary repair of a casing failure approved until May 7, 1983 be granted in order to allow a more complete evaluation of wellbore damage caused by the failure. Currently, the well is producing approximately 20 MCF/D which is considerably less than the 130 MCF/D before the failure. The well is slowly cleaning up but it is still producing large volumes of water. The well is producing with a packer set at 7552' to temporarily isolate the casing failure.
