13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Operator postponed this re-completion effort until 1992 - delay was caused by weather when equipment became available to do the work late last fall.

The plan is now to do this re-completion later this spring or summer.
