RE:

Unacceptable Allocation Factors

Dear Ms. Cole:

January 14, 2002

We have received your allocation factors and your Application to Downhole Commingle the wells listed below. After review, we disagree with your submitted allocation factors because production data on file was not consistent with the allocation factors provided. In addition, since production data is available for condensate, allocation for oil must also be provided.

It is required that you review and resubmit revised allocation factors. If you have any questions, please contact Adrienne Garcia at (505) 599-6358 or the undersigned with this office at (505) 599-6367.

Under the provisions of 43 CFR 3165.3, you may request an Administrative Review of any instructions, orders, or decisions issued by the Authorized Officer. Such a request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management, P.O. Box 27115, Santa Fe, New Mexico 87502-0115. Such a request will not result in a suspension of the instructions, orders, or decision unless the reviewing official so determines. Procedures governing appeals from the instructions, orders, or decisions are contained in 43 CFR 3165.4 and 43 CFR 4.400 et seq.

Sincerely,

Jim Lovato
