Dear Mr. Porter:

This is a request for administrative approval for an unorthodox gas well location in the South Blanco Pictured Cliffs Pool.

This well, Rincon Unit No. 41, is a completed well, and was located, by original survey, 990 feet from the North line, and 990 feet from the East line of Section 35, Township 27 North, Range 7 West, N.M.P.M., San Juan County, New Mexico.

A recent United States Cadastral Survey shows this well to be located 617 feet from the North line, and 1000 feet from the East line of Section 35, Township 27 North, Range 7 West.

Since El Paso Natural Gas Company holds all leases within a 790 foot radius, the consent of said location has not been sought from any other operators.

Yours very truly,
