April 15, 19 57

Well No. Maryo B-4 is located 1990 ft. from S line and 1960 ft. from E line of sec. 35

6-NE, SW Section 35 26N 13W New Mexico P.M.  
( $\frac{1}{4}$  Sec. and Sec. No.) (Twp.) (Range) (Meridian)  
Elsti-Gallup San Juan New Mexico  
(Field) (County or Subdivision) (State or Territory)

The elevation of the ground level above sea level is 6237 ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Drilled to 5050' KB. Conditioned hole and ran 125 joints 5-1/2" OD, 14#, J-55 Casing equipped with centralizers, scratchers and Baker float equipment. Casing landed at 5049' KB and cemented with 100 sac of  $\frac{1}{2}$  Gal Cement. Displaced to 4964' KB under 1500# psi. Ran Temperature Survey, found top of cement at 4450' KB.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Title District Engineer

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.

2. The second part of the document focuses on the implementation of internal controls to prevent fraud and ensure the accuracy of financial data. It outlines the key components of a robust internal control system, including segregation of duties, authorization procedures, and regular monitoring and evaluation.

3. The third part of the document addresses the challenges faced by organizations in managing their financial resources effectively. It discusses the importance of budgeting and forecasting, and the role of the accounting department in providing accurate and timely financial information to management for decision-making.

4. The fourth part of the document explores the impact of technology on the accounting profession. It discusses the benefits of automation and the use of data analytics in financial reporting, and the need for accountants to stay updated with the latest technological advancements.

5. The fifth part of the document concludes by emphasizing the importance of ethical behavior in the accounting profession. It discusses the role of accountants as trusted advisors and the need to adhere to high ethical standards in all financial transactions and reporting.
