West Bisti Ut 147 D-36-26N-13W API 30-045-05637

Dear John,

As per our conversation by phone you are directed to P&A or repair the above mentioned wells prior to May 15, 1996 to bring them in compliance due to the failure of the mechanical integrity test. If I can be of any assistance feel free to notify me at the OCD office in Aztec.

Thank You,

Johnny Robinson
